

KAMBEO

Do Good. Change The World.

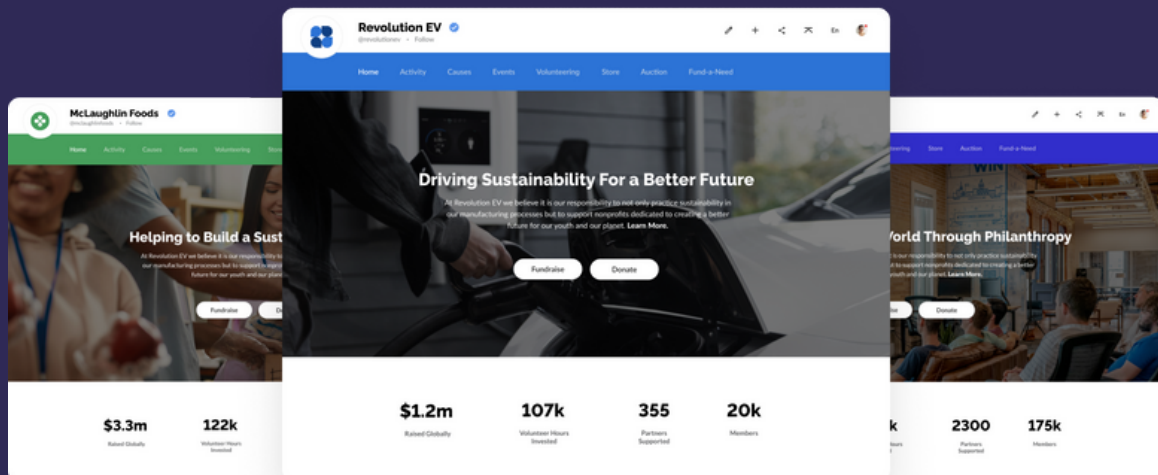

People want to **change the world.**
They want to buy from and work for companies that do, too.

Corporate social responsibility should be a force for good. Engaging purposefully in the community can help build more meaningful relationships with employees and customers, alike.

Introducing Kambeo

- ✓ A social impact platform that connects your team with thousands of opportunities to volunteer, donate, and fundraise.
- ✓ Build a values-aligned company culture that allows your team to find more purpose at work.
- ✓ Simply and transparently demonstrate your company's commitment to making the world a better place.

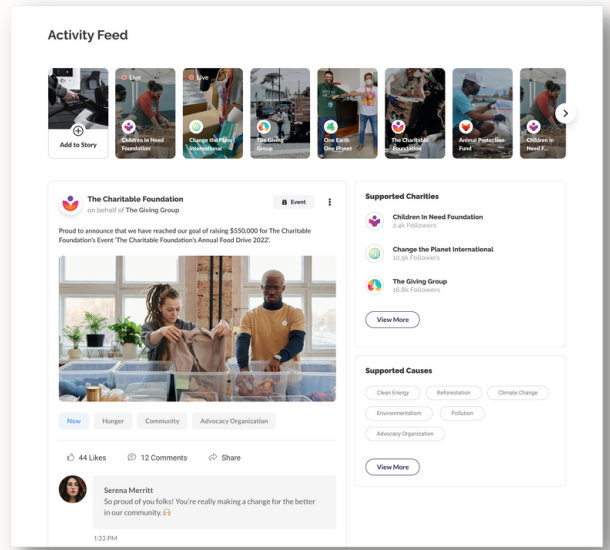

Don't let the good your company is doing go unnoticed. Kambeo helps you **tell your story to the world.**

Bring your social impact program to life

- ✓ Enhance your talent acquisition and retention strategy with an easy-to-manage social impact program.
- ✓ Easily capture and share images, stories, and results of your social impact program with your team and your customers.
- ✓ Leverage unique and verified data to better understand employee engagement and satisfaction with current social impact initiatives.
- ✓ Create brand awareness by connecting with the communities where you work and live through volunteering, fundraising, and donating.
